

HEAD OF AGRICULTURAL SERVICES

Reporting to the Chief Executive Officer (CEO) of the Fiji Sugar Corporation (FSC), the **Head of Agricultural Services** will oversee the total management of Cane Development.

The successful Candidate is expected to:

- Be overall in-charge of FSC Estates and Growers Cane Development and Cane Supply.
- Manage the day-to-day activities of all staff under his/her responsibility and related equipment.
- Be responsible for developing/providing services to the FSC Estates and Farmers, namely preparing land, supplying of treated seed cane, fertilizers, herbicides and all aspects of ratoon management.
- Control, coordinate and supervise all agricultural management practices/modern methods of sugar cane cultivation.
- Increase private farmers' coverage and their productivity.
- Prepare and control annual budgets and supervising staff and workers.

The successful Candidate should possess the following:

- Bachelor of Science Degree in Agriculture from a recognised Institution.
- Post graduate Training in Agriculture would be an added advantage.
- 10 Year's Work experience in a similar field, preferably in a Sugar Industry.
- Strong Interpersonal, Leadership and Communication Skills
- Ability to use ERP (Agriculture Management System).
- An added advantage would be that the successful Candidate be an Agricultural Professional who has worked in a Sugar Industry.

Applications for the above Position to be submitted by the 15th of March 2019, together with a detailed CV and supporting references/Referee Names, and addressed to:
