

## **TRACTOR DRIVER RECRUITMENT**

The Fiji Sugar Corporation Limited (FSC) will be purchasing 30 tractors with farm implements to assist cane growers improve their cultivation practices and increase cane production.

These tractors with implements will be distributed to individual Sectors in cane belt areas and growers will be able to hire and utilize its services from their respective Sector Offices at affordable rates.

In light of the above, FSC now seeks to recruit qualified and experienced tractor drivers.

### **Principle Accountabilities**

- Operate tractor in a safe manner as per standard procedures/regulations
- Drive and control farm implements such as disc plough, sub-soiler, disc harrow, tiller, rotovator, cane planter, fertilizer applicator and boom sprayer
- Clean and maintain tractor and related farm implements
- Arrange the repair and service of tractor and implements and maintain tractor operational records.
- Attend to other agricultural duties required to boost productivity on grower's farms.
- Perform any other duties that may be assigned by Supervisor.

### **Qualifications and Experience**

Experience in operating tractor and tractor farm implements

Understanding of sugar cane cultivation

Knowledge of OHS tractor operational procedures and regulations

Honest and resourceful

Must possess valid and current Group 9 driving license with a clean police record

### **Remuneration & Conditions of Service:**

Remuneration and other conditions of Service are attractive and will be discussed during the interview.

Only applications with proven past experience, with sound knowledge of tractor components, farm implements and sugarcane agriculture need to apply.

Ability to work odd, long hours including weekends and knowledge of the local farming community would be an advantage.
