

## **CAREER OPPORTUNITY**

The Fiji Sugar Corporation Limited invites applications from suitable, qualified, innovative and self-motivated individuals who meet our requirements to take up the Harvester Operator/Technician role in the sugar mills.

### **HARVESTER OPERATOR/TECHNICIAN**

The Corporation is looking to employ a committed individual to the role of Harvester Operator/Technician. The individual shall be solely responsible for the maintenance of the Corporation's mechanical harvesters and will operate the SA 8000 Mechanical Harvester during the crushing season.

#### **Principal Accountabilities:**

- Ensure all mechanical harvester maintenance is conducted as planned;
- Troubleshoot any issues with the harvesters and repair them accordingly;
- Operate the mechanical harvester optimally during the crushing season;
- Assist in training industry harvester operators on basic maintenance of the harvesters and harvester operations;
- Provide on-the-job training when required.

#### **Qualifications/ Requirements:**

- Certification in Harvester Operations;
- Minimum of 10 years experience in harvester operations & maintenance;
- Thorough knowledge of harvester operations and maintenance;
- Demonstrated understanding of safe work procedures.

**How to Apply:** Written applications stating the position and choice of location, including copies of documents relating to qualifications, experience, and references with telephone contact, should be forwarded to:

**The Human Resources Department  
FSC Limited, Head Office  
Private Mail Bag  
LAUTOKA**

**Alternatively,** applications can be emailed to [recruitment@fsc.com.fj](mailto:recruitment@fsc.com.fj).

**The vacancy will close on Friday, 22 November 2024.**

**Late and incomplete applications** will not be considered. (Only shortlisted candidates will be contacted for an interview.)

**"The Fiji Sugar Corporation Limited is an equal opportunity employer."**
