

## CAREER OPPORTUNITY

The Fiji Sugar Corporation Limited invites applications from suitable, qualified, innovative and self-motivated individuals who meet our requirements to take up the Pump Fitter role in the sugar mills.

### **PUMP FITTER**

The Pump Fitter shall be responsible for ensuring that the pumps/gearboxes at the mills are always maintained and available for operations.

#### **Principal Accountabilities:**

- Ensure day-to-day milling operations meet the standards as per the mill technical budget;
- Monitoring of all pumps and gearboxes used in milling operations;
- Dismantle faulty tools, machines, equipment, assemblies and repair or replace defective parts;
- Ensure all maintenance of the pumps and gearboxes is carried out in a timely manner;
- All works should be carried out in accordance with standard operating procedures, codes of practice, industrial awards, and agreements for quality outputs;
- Perform other duties assigned by the supervisor.

#### **Qualifications/ Requirements:**

- A trade certificate in Fitting;
- A minimum of ten (10) years of experience in sugar mill maintenance;
- Thorough knowledge of mill settings front-end preparative devices, including crusher and diffuser;
- A team player and able to work under minimum supervision;
- Sound knowledge of OHS legislation.

**How to Apply:** Written applications stating the position and choice of location, including copies of documents relating to qualifications, experience, and references with telephone contact, should be forwarded to:

**The Human Resources Department  
FSC Limited, Head Office  
Private Mail Bag  
LAUTOKA**

**Alternatively,** applications can be emailed to [recruitment@fsc.com.fj](mailto:recruitment@fsc.com.fj).

**The vacancy will close on Friday, 22 November 2024.**

**Late and incomplete applications** will not be considered. (Only shortlisted candidates will be contacted for an interview.)

**"The Fiji Sugar Corporation Limited is an equal opportunity employer."**
